LUBRICANTS & CABLE CUTTERS

NEVER-SEEZ COMPOUND

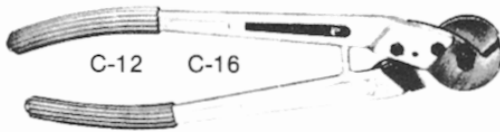

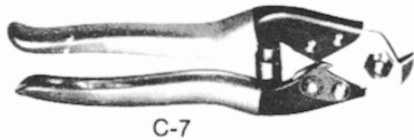

...ANTI-SEIZE AND LUBRICATING COMPOUNDS

NEVER-SEEZ Compounds are superior, high-temperature anti-seize and extreme pressure lubricating compounds. They contain very fine metallic and graphitic particles in a special hydrocarbon carrier which protects metal parts under the most extreme conditions of heat, pressure and corrosive environments. Properly applied, NEVER-SEEZ Compounds provide a fine, protective film that cannot be burned-off or completely removed by abrasion, or washed off by fresh or salt water. The use of NEVER-SEEZ Compounds provide the following advantages:

- Keeps parts working longer with less wear
- Minimizes part replacement costs
- Enables faster disassembly when repairs are needed—reducing down time.

Can	Container	Size	Number per Case
		1 lb.	12
	Bottle—with applicator spout	¼ lb.	24
	Aerosol Spray Can	16 oz.	12
	Brush-top Can	½ lb.	12

FELCO CABLE CUTTERS

No.	Will Cut	Length	Wt. Ea.
C- 7	5/32"	8"	1
C-12	3/8"	19"	4
C-16	5/8"	23"	6

WARNING: DO NOT EXCEED RATED CAPACITIES
